Physical Properties

The Zecchin Neon Low Ankle Safety Shoe features a durable suede leather upper designed in a striking black and neon color scheme. Built for high-performance protection, it includes a composite toe and mid-plate for safety without the weight of traditional steel, while remaining oil-resistant for better stability. Rated S3L HI CI SR, this shoe provides heat and cold insulation alongside superior slip resistance.

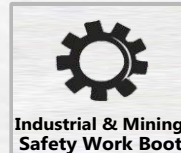

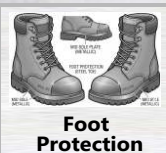

Uses

Agriculture, construction, glass manufacturing, general applications, janitorial services, mining, motor industry, production lines, refineries, transport, and waste disposal.

Sizes

Available from size 2 to size 10.
