SPECIFICATIONS

Physical Properties

The Vaultex Light Industrial Safety Shoe (Model SCG SBP) is a low-ankle, black work shoe engineered for both protection and comfort. It features a breathable mesh fabric that promotes airflow, paired with a lightweight PU foam sole for all-day cushioning. For safety, the shoe is equipped with a composite toe and mid-plate to guard against impacts and punctures, while the oil-resistant finish ensures steady traction on slick surfaces.

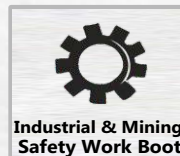

Uses

Agriculture, construction, glass manufacturing, general applications, janitorial services, motor industry, production lines, refineries, transport, and waste disposal.

Sizes

Available from size 4 to size 10.

STANDARDS

**ARROW SAFETY PRODUCTS
ZAMBIA LIMITED**

SAFETY NOTE

Precautions: Ensure correct fit before use, inspect boots regularly for damage or wear, keep clean and dry after use, avoid exposure to heat or chemicals. And replace immediately if safety features are compromised.
