FOOT PROTECTION - FFTSOCKCOAL

SOCKS HEAVY DUTY MINING GREY

SPECIFICATIONS

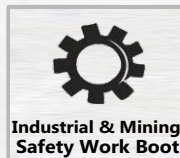

Physical Properties

These heavy-duty mining socks are designed for maximum durability and protection in demanding work environments. Featuring a practical calf-length cut, they provide ample coverage and support for the lower leg. The socks are finished in a versatile grey color, making them a reliable choice for long-wearing comfort and physical resilience throughout the workday.

Uses These heavy-duty mining socks are engineered for use with gumboots. They offer essential calf-length protection and durability for demanding industrial, mining environments.

Sizes These socks feature a universal size design

STANDARDS

**ARROW SAFETY PRODUCTS
ZAMBIA LIMITED**

SAFETY NOTE

Precautions: To maximize comfort and safety, Ensure socks are pulled up fully to avoid bunching and blisters inside the gumboot. Regularly check for debris or moisture to maintain hygiene and ensure a secure, comfortable fit.
