

# ARROW SAFETY PRODUCTS

HEAD AND FACE PROTECTION - HFFS1318CC

## FACE SHIELD COMPLETE

## SPECIFICATIONS

### Physical Properties

This protective face shield is designed to provide reliable defense against impact, and chemical splashes, while maintaining user comfort and visibility. The shield features a high-quality, optically clear visor that allows excellent visible light transmission. The visor is rigid enough to maintain its shape under stress yet flexible enough to prevent cracking. Its smooth surface enhances clarity and allows for easy cleaning

### Uses

Provides protection against impacts from medium-energy flying particles, as well as liquid splashes, sprays, and dust exposure.

### Sizes

One Size

## STANDARDS

**ARROW SAFETY PRODUCTS  
ZAMBIA LIMITED**

### SAFETY NOTE

**Precautions:** Face shields must never be worn alone. They must always be used as a secondary protection in conjunction with suitable basic eye protection devices such as spectacles or goggles.
