

ARROW SAFETY PRODUCTS

Hearing Protection - HRNORMUFF

NORMUFF UNIVERSAL EARMUFF

SPECIFICATIONS

Physical Properties

This earmuff is designed to deliver reliable and durable hearing protection in demanding environments. It features high-impact ABS cups that provide strong external protection while effectively reducing noise levels. Inside, a soft foam liner enhances sound absorption, while the foam-filled, PU-covered cushions ensure a comfortable seal around the ears for extended wear.

Uses

Suitable for loud machinery, power tools, loud music and noisy places i.e. airports, mining, construction, manufacturing, utilities repair and maintenance, and other general industry.
